Excerpt: . SUPPLEMENT STATEMENTS AND AFFIRMATIONS Each of the formulations of statements and affirmations in the series that follows expresses a logically connected line of thought running somewhat parallel with its corresponding chapter. It combines with this expressions that are applicable personally, either for meditation or treatment. They may be regarded as interlocked consistent expressions of fact and Truth that will recall the essentials of the chapters to which each refers, and the suggestions they contain will also serve to impress the subconscious with the knowledge that manifests in Perfect Health. I. Correspondences The mental and physical are one; the mental being the cause and the physical the result--The body is a thought form--Any and every change in thought registers physically--Each physical disease may be diagnosed mentally--Each false thought causes mental disturbance and physical disease--Each Truth thought promotes mental ease and physical health--Truth thoughts are...

### Reviews

*This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.*
