BRILLIANCE AUDIO, United States, 2014. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. Most people know Penny Marshall as the director of *Big* and *A League of Their Own*. What they don't know is her trailblazing career was a happy accident. In this funny and intimate memoir, Penny takes us from the stage of *The Jackie Gleason Show* in 1955 to Hollywood's star-studded sets, offering up some hilarious detours along the way. *My Mother Was Nuts* is an intimate backstage pass to Penny's personal life, her breakout role on *The Odd Couple*, her exploits with Cindy Williams and John Belushi, and her travels across Europe with Art Garfunkel on the back of a motorcycle. We see Penny get married. And divorced. And married again (the second time to Rob Reiner). We meet a young Carrie Fisher whose close friendship with Penny has spanned decades. And we see Penny at work with Tom Hanks, Mark Wahlberg, Whoopi Goldberg, Robert De Niro, and Whitney Houston. Throughout it all, from her childhood spent tap dancing in the Bronx, to her rise as the star of *Laverne Shirley*, Penny lived by simple rules: try hard, help your friends, don't get too crazy, and have fun. With humor and heart, *My Mother Was Nuts* reveals there's no one else quite like Penny Marshall.
