Reviews

It is one of the best books. Indeed, it really is a play, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.A lethal plague resurrected from the bones of the dead is stolen from a secret biological warfare lab hidden in the mountains of North Korea. There s no cure and it s one hundred percent fatal. If it gets loose, millions will die. The men who have it want to reduce the world s population and bring down the global economy as part of a plan to establish world dominance. Nick Carter and Selena Connor of the Project are up against their old nemesis, a centuries old conspiracy called AEON. This time, Director Elizabeth Harker is determined to eliminate AEON once and for all. It s touch and go as events build toward the final confrontation, with no certainty that things will turn out well. Along the way, dark secrets from Selena s past come to light. The Project team takes on another dangerous mission, with no guarantee that any of them will survive.
