EMBRYOLOGY OF ANGIOSPERMS

Book Condition: New. Publisher/Verlag: Springer, Berlin | Thirty-four years have elapsed since the publication of the late Professor P. Maheshwari's text, An Introduction to the Embryology of Angiosperms, a work which for many years served as an invaluable guide for students and a rich source book for research workers. Various texts dealing with sections of the broad spectrum of topics encompassed by Maheshwari in his book have appeared in the interim, but a compendious modern work dealing with the whole field...

Reviews

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Lupe Connelly**

Absolutely essential read through ebook. Better then never, though i am quite late in start reading this one. I am very easily will get a delight of studying a published ebook.
