Holiday House. 1 Cloth(s), 2015. hard. Book Condition: New. "Open your eyes, and look," begins this simple yet reverential book for prereaders from the creator of the Caldecott Honor recipient Strega Nona. In his sunny, cleanly outlined acrylic illustrations, Tomie dePaola depicts a boy waking up and discovering the simple wonders of life, including flowers, a rainbow, an orange, and above all, being with other people."Rather than go the route of many before him in this genre and provide a catalogue of all the things that readers should be thankful for, dePaola takes a different tack: he urges his audience to be fully present in and grateful for the world around them. With its naive beauty and unaffected solemnity, it's a little book that may quickly become a treasured keepsake."Publishers Weekly 28.
