By Matt Haig

When Barneys feline fantasy comes true, the fur starts flying in this darkly hilarious and heartwarming tale. Cats have it made. They laze in sun patches, are showered with affection by loving humans, can cough up hairballs wherever they want, and never have to wonder why their dad disappeared one day and never came back. Its clearly much easier to be a cat than to be a middle school boy. So when Barney Willow wishes he could be a cat, and gets his wish, he should be thrilled. Except hes not. He discovers that not all cats are cute and cuddly, and some of them are downright evil. He discovers that his own mother cant see past the whiskers to recognize her darling son. Worst of all, he discovers that his life is in grave danger and he doesnt have eight lives to spare. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
