Little Brown & Co, Boston, MA, 1984. Hard Cover/Excellent. Book Condition: UNUSED. 1st Edition (USA)/Hardcover. This copy is in great shape--an excellent supplementary text or reference book for a career human resources manager. A sadly underrated book because it is one of the few in public personnel management to make the connection between managing people in the public sector and the consequences of both good and bad management on resulting policy. The book, given the extensive contents, is a real bargain--after all, this one ain't go no marks on it, Getting ready for that final HR exam? Well. here's one of the best books available.
