Crown Archetype, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Whether it's your NFL team or your fantasy team, nothing will make or break the franchise like picking your quarterback. In The QB, Bruce Feldman offers unprecedented, and at times counterintuitive, insight into what to look for in the NFL QB of the future." --Matthew Berry, ESPN Senior Fantasy Sports Analyst and New York Times best-selling author of Fantasy Life "From Pop Warner all the way to the NFL, football has never been more 'Quarterback-centric' than it is today, and the player under center has never had more responsibility--or scrutiny. Bruce Feldman's ingenious book delves deeper into all aspects of the position than has ever been explored before. It's enlightening, illuminating, and shows how some outside-the-box thinking can change the game." --Charles Davis, NFL Network Draft Analyst & FOX Sports College Football Commentator "One of the most brilliant writers in the business, Bruce Feldman offers a remarkable look at the making of a quarterback in The QB . This book also provides a fascinating glimpse into the human nature of some of the game's biggest names, and will inform and entertain both the hardcore and casual football fan. It's Feldman's best book yet." --Brett McMurphy, ESPN College Football Insider.
