THE ART OF STUPIDITY BOOK 1 OF TRILOGY, ANTICS OF AN ACCIDENT PRONE TEACHER

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 190 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. Little is known about the history of Rufus Comprehensive School, opened in the early fifties on the site of an old pig farm. An accurate but unkind observer had once been heard to say that little had changed. Both were long low buildings full of noisy, smelly creatures. It was assumed that Rufus had been a Saint, but he could have just as well been the benefactors dog. And so starts the story of Brian Wilson a more or less inept art teacher that manages to create chaos around him whilst sailing on thinking he is just plain unlucky. The group of characters that are unfortunate to become entangled, become involved in a growing series of hilarious episodes. Despite everything you cannot but like Brian, he takes us back to an earlier time in our lives when we did not think we had responsibilities. The butt of many situations is Brians headmaster Mr Redbone And you were heard swearing responded the Headmaster. Male menopause, replied Brian. Good grief, what next, said Mr Redbone. It exists you know, he said warming to a possible escape route from his dilemma. Recent studies have shown that men try to pass it off as just stress of overwork or something. But it has all the same symptoms that effect women. Fatigue, hot flushes, severe headaches and you can add to that male aggression and sexual dysfunction. The head was by this time slumped in his chair thinking that this teacher had far too much creativity for his liking. Stop right there Mr Wilson. I hope you are not suggesting that you should be given some time off because of male menopause Good...
