Bottom of the Hill Publishing, United States, 2011. Paperback. Book Condition: New. 201 x 122 mm. Language: English . Brand New Book ***** Print on Demand *****. After all that has been spoken and written by godly men on prayer, we need something better than that which is of mere human origin to guide us if we are to perform aright this essential duty. How ignorant and sinful creatures are to endeavor to come before the Most High God, how they are to pray acceptably to Him and to obtain from Him what they need, can be discovered only as the great Hearer of prayer is pleased to reveal His will to us. This He has done: (1) by opening up a new and living way of access into His immediate presence for the very chief of sinners; (2) by appointing prayer as the chief means of intercourse and blessing between Himself and His people; and (3) by graciously supplying a perfect pattern after which the prayers of His people are to be modeled. Arthur Walkington Pink was an English Christian evangelist and Biblical scholar known for his staunchly Calvinist and Puritan-like teachings. Though born to Christian parents, prior to conversion he migrated into a Theosophical society, and quickly rose in prominence within their ranks. His conversion came from his father s patient admonitions from Scripture. It was the verse, Proverbs 14:12, there is a way which seemeth right unto a man, but the end thereof are the ways of death, which particularly struck his heart and compelled him to renounce Theosophy and follow Jesus.
