### ***Reviews***

*Comprehensive guide! Its this type of very good read through. It is actually writer in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

If it waits for applicants nothing will be done. In this respect it differs from the city organizations. The records of the township trustee showing all who have received help in food, fuel, clothing, medicines, etc., will reveal many a surprise for you and show how negligent and indifferent society is to its poor; how churches, kindred and friends have failed in charity. Here you will find many a Lazarus at a rich man s gate; here you will find the tragedy of over the hills to the poorhouse enacted in every county. Following up the doctors will furnish work. Many a physician finds cases he sees not how he can pull through unless some one comes to his aid. A social survey of your community should be made. It will open up a larga field for benevolent work. In many ways objects for benevolent enterprises can be found, furnishing abundant work in every community of at least 3,000 people. This I have found by experience and can prove to any one who will examine my records. Unless aggressive work of this kind is done the organization will soon reach a state of atrophy. 4. This organization should be in vital connection with large and central ones. In fact, all charities of the state should be unified and co-operative. There is much to be gained by...
