WE THE MEDIA: GRASSROOTS JOURNALISM BY THE PEOPLE, FOR THE PEOPLE

[DOWNLOAD](#)

O'Reilly Media. Paperback. Book Condition: New. Paperback. 336 pages. Dimensions: 8.9in. x 6.0in. x 0.8in. We the Media, has become something of a bible for those who believe the online medium will change journalism for the better. -Financial Times Big Media has lost its monopoly on the news, thanks to the Internet. Now that its possible to publish in real time to a worldwide audience, a new breed of grassroots journalists are taking the news into their own hands. Armed with laptops, cell phones, and digital cameras, these readers-turned-reporters are transforming the news from a lecture into a conversation. In We the Media, nationally acclaimed newspaper columnist and blogger Dan Gillmor tells the story of this emerging phenomenon and sheds light on this deep shift in how we make--and consume--the news. Gillmor shows how anyone can produce the news, using personal blogs, Internet chat groups, email, and a host of other tools. He sends a wake-up call to newsmakers-politicians, business executives, celebrities-and the marketers and PR flacks who promote them. He explains how to successfully play by the rules of this new era and shift from control to engagement. And he makes a strong case to his fellow journalists that, in the face of a plethora of Internet-fueled news vehicles, they must change or become irrelevant. Journalism in the 21st century will be fundamentally different from the Big Media oligarchy that prevails today. We the Media casts light on the future of journalism, and invites us all to be part of it. Dan Gillmor is founder of Grassroots Media Inc. , a project aimed at enabling grassroots journalism and expanding its reach. The companys first launch is Bayosphere. com, a site of, by, and for the San Francisco Bay Area. Dan Gillmor is the founder of the Center for Citizen Media, a...
