Kingdom Journey Press, Inc, United States, 2012. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. Metro Talk was borne from my daily experiences while commuting on the public transportation system in the Washington-Metropolitan area. Each day I would enter the Metro system and some of the sights, sounds and yes, smells would make me laugh, shake my head and even cringe, so I began sharing such encounters on Social Media, hence the name Metro Talk. There were also times when I experienced extended periods of illness and unemployment, and used the public transportation system to commute to and from doctor s appointments and job interviews. During those periods of pain and despair, I used Metro Talk as a vehicle to encourage myself and others who may have been facing similar trials. Morning Family!.
