Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This devotional contains 40 promises from God to His children. It is written to the children of God as a source of strength, encouragement and inspiration. These are only a few of the promises God has made to His children. A promise is one's word to another to perform a certain function or act. The American Heritage Dictionary defines promise as A declaration assuring that one will or will not do something; a vow. God has made certain promises to His children as reassurance of His love for and devotion to them. Now a promise is only as good as the person who makes it. The one making the promise must possess the power and authority to fulfill that promise. One of the attributes of God is that He is omnipotent. That simply means God has all, or unlimited power and authority. He is the Almighty God. Nothing or no one can prevent God from keeping His promises or His word to those He makes promises.
