

The Therapeutic Relationship Handbook: Theory and Practice

By Divine Charura, Stephen Paul

Open University Press. Paperback. Book Condition: new. BRAND NEW, The Therapeutic Relationship Handbook: Theory and Practice, Divine Charura, Stephen Paul, Practitioners across many counselling approaches acknowledge that the therapeutic relationship is central to therapy and its outcomes. This book argues that the therapeutic relationship cannot be reduced to particular words or therapeutic skills, but is a relationship encounter that promotes dialogue, contact and process. In each chapter, experts in different fields interpret the therapeutic relationship through the lens of their own modality, offering: Summaries of the key theoretical and research bases Example case studies of therapeutic interventions that illuminate key relational components of the approach and the development and management of the therapeutic relationship Study of the limitations, challenges and complexities of maintaining a therapeutic relationship Exploration of new developments in working with clients - capturing work that the authors and other colleagues have been involved in developing in that area The Therapeutic Relationship Handbook is a broad ranging guide for students as well as both new and experienced practitioners. Divine Charura is a Senior Lecturer in Counselling and Psychotherapy at Leeds Metropolitan University, UK. He is an Adult Psychotherapist who works in the NHS, voluntary sector and in private...

Reviews

It is easy in read through easier to fully grasp. it had been writtern very completely and useful. I am pleased to let you know that here is the greatest book we have read during my personal life and could be he very best book for possibly.

-- Miss Marge Jerde

It is really an remarkable publication i actually have possibly study. It usually is not going to cost excessive. Its been written in an exceedingly basic way and is particularly only right after i finished reading this publication through which basically transformed me, affect the way i think.

-- Dr. Breana O'Kon
