Createspace, United States, 2014. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.God's Word is amazing and very much alive! The time has become increasingly urgent to know what the Bible says for ourselves, whether one is a believer or not! Get what you need from God's Garden through His written Word; whether it is hope, joy, peace, direction, revelation, deliverance, or conviction. By the time you have finished these puzzles, you will have read over 600 chapters in the Word of God and have hopefully grown closer in your walk with God. This book encourages readers to feast from the bountiful garden of God's living Word and to meditate upon it! Cross through the Word, and then do the Crossword Puzzle. Each puzzle contains about twenty chapters from the Word of God. For each chapter, a question has been asked. The answers correspond to a number in the acrostic. Bonus Word Scrabble, Cryptogram puzzles, and a Reading checklist are included. Great for Bible studies or teaching young people the Word! Volume II will hopefully be released next year which will cover the remaining 589 chapters. For more questions over the same reading, you can try the Word Search Puzzles.
