

White Coat, Clenched Fist: The Political Education of an American Physician (Conversations in Medicine and Society)

Filesize: 7.48 MB

Reviews

The publication is easy in read through better to recognize. It usually will not cost too much. You wont feel monotony at whenever you want of the time (that's what catalogs are for concerning when you question me).

(Rebecca Bechtelar)

University of Michigan Press, 2006. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: In the sixties, Fitzhugh Mullan was an activist in the civil rights struggle. While in medical school, Mullan was shocked by gaps in what the students learned, and the lack of humanity in the classroom. Later, Dr. Mullan was outraged at the conditions he discovered when he began to practice. He helped found the Student Health Organization, organized the Controversial Medical Collective at Lincoln Hospital in the Bronx, and struggled to offer improved medical care to those who needed it most and could afford it least. This landmark book charts the state of medical school and practices in the 1960s and 70s. This new edition is updated with a preface in which Dr. Mullan reflects on the changes in the medical field over the last thirty-plus years. Fitzhugh Mullan is Murdock Head Professor of Medicine and Health Policy at George Washington University. He worked at the U.S. Public Health Service where he attained the rank of Assistant Surgeon General (1991-1996). Dr. Mullan is the co-founder of the National Coalition for Cancer Survivorship and the author of numerous books, including *Plagues and Politics: The Story of the United States Public Health Service*, and his most recent book, *Narrative Matters: The Power of the Personal Essay in Health Policy*.
