Reviews

This publication is fantastic. It is one of the most amazing publication i have got study. I am just pleased to explain how this is actually the best pdf i have got read through in my individual lifestyle and could be he finest publication for possibly.

(Mr. Kristoffer Hills)

THE TOWERS OF BOIS MAURY: VOLUME 2: ELOISE DE MONTGRI

Dark Horse Comics,U.S. Hardback. Book Condition: new. BRAND NEW, The Towers of Bois Maury: Volume 2: Eloise De Montgri, Hermann, "Fraymond", Displaced feudal lord Sir Aymar is again drawn into conflict in a land not his own. A group of cutthroat brigands - led by a bestial false shepherd in ghastly ram's garb - has pillaged and burned the Castle De Caulx, with only the lord's young son escaping alive. Rallying the local peasants and the mysterious and lovely Eloise De Montgri, a crossbow wielding stranger from a far land, and calling upon the honor of the wandering Aymar, the young heir commands a desperate final confrontation with the murderous outlaws, a struggle that will not only decide the fate of a people, but will unearth painful secrets locked within the heart of the troubled Eloise. The second volume of Hermann's monumental "Towers of Bois-Maury series, Eloise De Montgi" is a riveting historical drama of beauty and horror, another unforgettable Venture graphic album, produced in a gorgeous laminated hardcover English-language edition in association with Strip Art Features.
